

Greetings Roncalli Family,
Roncalli High School is proud to be a part of one of our country's most significant success stories -- Catholic education, which was established in the United States nearly 300 hundred years ago. Our country's need for high quality, Christ-centered education for young people and their families has never been greater.

A common question we are asking ourselves at Roncalli this year is "What is your why?" For me it centers around a quote from the book, Forming Intentional Disciples, which states, "What is not believed or lived cannot be transmitted." At Roncalli, a few of our foundational beliefs are:

- The unconditional love and mercy of Jesus Christ, the Savior of the world, is offered to us daily
- That every person is divinely created by God and as such is unique and special in His eyes
- There is great joy and fulfillment found in being part of a community of believers
- Hard work, discipline and accountability are timeless values that cannot be compromised
- We are not in the education business but in the "kid" business

For over 40 years my "Why Roncalli" has been because I feel the Lord calling me to be a part of the sacred ministry of living out these core beliefs in hopes they are transmitted successfully to all of the young people entrusted to us at Roncalli.

Producing well educated, morally sound and faith-filled young men and women to be disciples of Jesus Christ is at the heart of our mission. This life-giving ministry is only possible through the collaboration, prayers and generous support of our parishes, pastors, parents, faculty, staff, alumni and friends.

On behalf of our current and future students, families, faculty and staff, I ask that you please prayerfully consider supporting the exciting plans we have to improve and enhance the educational and faith formation opportunities found at Roncalli. We need your assistance! No gift is too small.

I thank you for your support and for partnering with us in advancing our school's mission!

St. John XXIII, pray for us!

Sincerely,
Chuck Weisenbach

Faculty & Staff Wellness Center

The wellness center, which will be available to faculty and staff before, during and after school, will include an open space for group workouts as well as exercise equipment for solo workouts. The space will also include a lounge area with refreshments available to faculty and staff throughout the day and a place to eat lunch allowing them time away from their classrooms and offices.

Stadium Pavilion

Adding to our beautiful campus, we are building an outdoor pavilion in the stadium. This structure will provide a location for team building, classroom outings, alumni gatherings and a location for athletic teams to gather when practicing or competing in the stadium. This pavilion will enhance the outdoor experience for all in our Roncalli family.

Tuition Assistance

We believe that every student, regardless of their socioeconomic background, deserves the opportunity to pray, learn, grow and explore at Roncalli High School. Funds raised will assist in offsetting the cost of tuition for Roncalli families in need of tuition assistance.

Faculty Enrichment

The academic excellence found in our classrooms reflects the passion, commitment and educational experience of our faculty. We must continue to fund training opportunities and conferences, along with the annual pilgrimage to walk in the footsteps of our namesake - Saint John XXIII, to enhance teaching and to enrich curriculum. Providing opportunities for our faculty directly benefits both our faculty and students.

Endowment

Now more than ever, it is time to ensure the long term viability of our school. Building the school's general endowment will position our students for success in the future. Interest produced from the endowment will be used to provide needs-based tuition assistance, increase salaries for our faculty and staff, keep tuition increases at a minimum and provide funds for ongoing facility improvements and maintenance. A robust endowment is vital to the future success of Roncalli High School.
