

THE LIFE PREP SCHOOL

August 2023

Dear Roncalli Parents and Caregivers,

Roncalli High School is pleased to have two school social workers again for the 2023-24 school year. The social workers are available to all students in need of support in removing barriers to academic success. The school social worker's role is to assist the school in meeting the social, emotional and spiritual needs of its students, parents/guardians, and teachers. This is done by individual sessions with students, meetings with parents or families, small groups, coordinating with other service providers, providing resources to families or students, consulting and facilitating a teamwork approach with teachers and staff at school.

If you feel your child would benefit from meeting with a social worker, for any reason, please call or email us at any time. If your student will need ongoing services, please fill out the consent form below and return to us.

God Bless,

I would like my student to work with a Roncalli High School social worker during the school day. If your child needs continual services for an ongoing issue you will be contacted and made aware of further meetings or referrals. In agreeing to these services, I understand that the social worker maintains confidentiality, except for in situations where there is a suspicion of abuse or neglect, or if the student is at risk of suicide or harming others.

\_\_\_\_\_ Yes, I give permission for a Roncalli social worker to work with my student during the 2023-24 school year. This includes any individual and virtual sessions (if needed).
