

CIRCLE OF FAITH ANNUAL FUND 2023-2024

“Forming disciples of Jesus Christ through
the intercession of Saint John XXIII.”

A MESSAGE FROM THE PRESIDENT

Greetings Roncalli Family,

Roncalli High School is proud to be a part of one of our country's most significant success stories -- Catholic education, which began in 1727, nearly 50 years prior to the founding of the United States. With so much of today's educational system awash in a tsunami of secularism, a denial of absolute truth and an acceptance of minimal expectations, there has never been a greater need for the high quality, Christ-centered education offered to students and families at Roncalli!

This year's Circle of Faith annual fund will support the following key initiatives:

- **Enhancements and additions to the safety and security of our school and campus**
- **Needs-based tuition assistance**
- **Growing the school's endowment**
- **Enrichment opportunities for faculty and staff**

Would you please partner with us in this transformational ministry of Catholic education by offering your prayers for our school and by making a sacrificial gift to this year's Circle of Faith Annual Fund? No gift is too small! St. Paul is renowned for his boldness in speaking the truth. He challenges each of us very clearly when he states in 2 Corinthians 9:6-7, "Remember this: Whoever sows sparingly will also reap sparingly, and whoever sows generously will also reap generously."

On behalf of our current and future students, families, faculty and staff, I thank you for your support of this year's annual fund and in making Roncalli High School such a unique, special place!

God bless you, Go Royals, and St. John XXIII, pray for us!

Sincerely,

Chuck Weisenbach R'79
President

Safety and Security Initiatives

The overall safety and security of our Roncalli family remains the highest of priorities. Our families must feel assured that their child will be in the safest possible environment in which to grow academically, socially and spiritually during the school day and at after-school activities. Our initiatives to upgrade our comprehensive safety and security plan include installing a new electronic access system to our school building, allowing us to maintain a locked building at all times. In addition, our new safety and security plan aligns with best practices for schools across the country to provide an isolated entry system. Therefore a visitor can only gain access to the school once a background check has been completed and verified. Together, these two initiatives allow students to focus on learning and growing into the young men and women that God calls them to be in the safest environment possible.

Tuition Assistance

We believe that every student, regardless of their socioeconomic background, deserves the opportunity to pray, learn, grow and explore at Roncalli High School. Funds raised will be used to support families in need of tuition assistance.

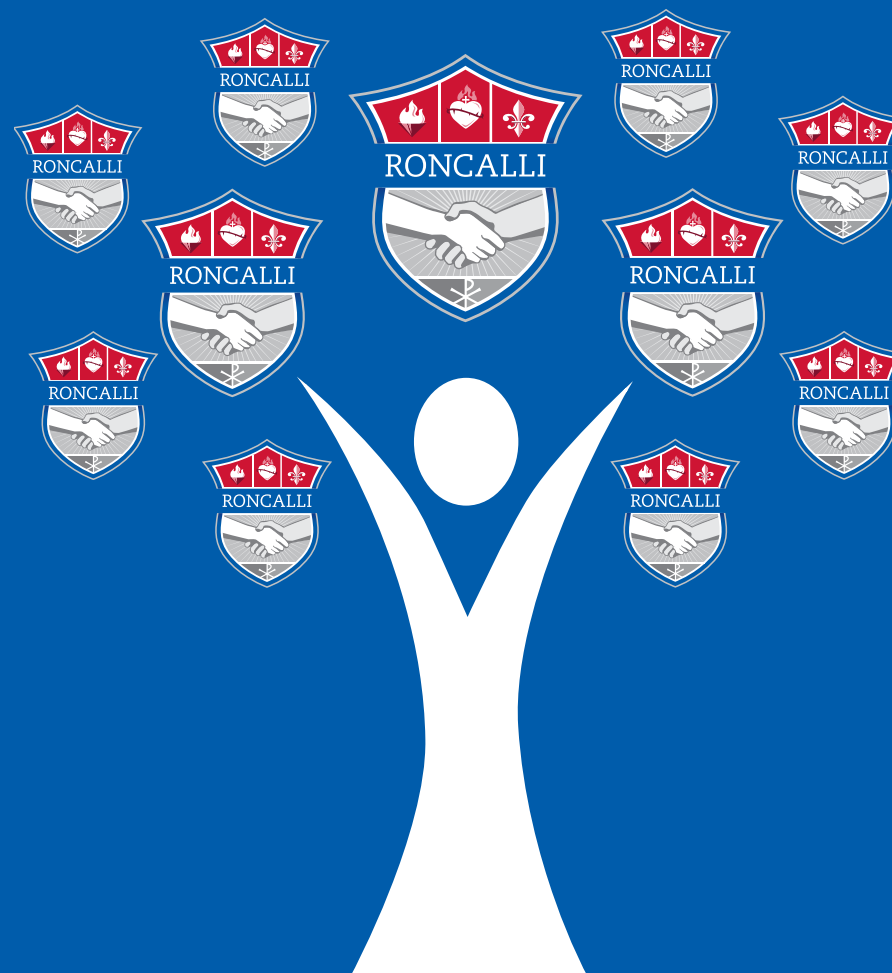

Faculty and Staff Enrichment

The academic excellence found in our classrooms reflects the passion, commitment and educational dedication of our faculty and staff. We must continue to fund training opportunities, along with the annual pilgrimage to walk in the footsteps of our namesake - Saint John XXIII, to enhance teaching and to enrich curriculum. Providing these opportunities directly benefits our faculty, staff and students.

Endowment

Now more than ever, it is time to ensure the long term viability of our school. A key component of our strategic plan calls for building the school's endowment to position our future students for success. Interest produced from the endowment will be used to provide competitive salaries for our faculty and staff, keep tuition increases at a minimum and provide funds for ongoing facility improvements and maintenance. A robust endowment is vital to the future success of Roncalli High School.

Given the chance, most of us want to leave a lasting reminder of the gratitude we feel for the organizations we love and support. It is a privilege to contribute to the important work that benefits society, perhaps for generations to come.

A planned gift will significantly impact the mission of Roncalli High School and transform the lives of our students. Planned gifts may be designated to a particular project, endowed fund, scholarship or program or directed to provide unrestricted support for the greatest needs of the school. In addition to the personal satisfaction of knowing you have made a tremendous impact on the lives of current and future Roncalli students and helped to lay the foundation for a sustainable future for the school, properly planned charitable gifts can potentially provide you with tax and

financial benefits. Furthermore, you will be recognized as a distinguished member of the Saint John XXIII Legacy Society at Roncalli High School.

Membership in the Saint John XXIII Legacy Society is reserved for benefactors who name Roncalli High School in their estate plans or as a beneficiary designee. Notifying Roncalli High School of your plans allows us to discuss your wishes for your gift and thank you during your lifetime. Members may remain anonymous.

There are many planned gift opportunities available. As you consider ways to support Roncalli's mission and vision, let us help you find rewarding planning strategies with unique combinations of tax savings and personal satisfaction.

CORPORATE MATCHING GIFTS

You can help Roncalli students even more by taking advantage of your employer's matching gift program. By obtaining a matching gift form from your employer and sending it with your donation, you increase the value of your gift and the opportunities afforded to our students, faculty and staff.
