Fall Break & Spring Break Policy

School policy does not provide for any early start of or extension of either fall or spring break. No student will be excused from school on any day(s) the week before or the week after fall or spring break. Any student's absence on these days will be considered unexcused. An unexcused absence means that one point will be deducted from the student's cumulative grade in each class at the end of that grading period. Teachers are not required to make special provisions for students who are unexcused. Students absent because of illness on the day(s) preceding and/or immediately following fall or spring break will be required to bring a doctor's excuse to the Attendance Officer upon their return to school.

Snow Days & eLearning Policy

The first three (3) days that school is closed for any reason, Roncalli will have an eLearning day on the same day as the cancellation. Teachers will have their assignments posted on Canvas no later than 11:00AM. Students will be required to log into their Canvas account no later than 12:00PM/Noon. A student who will be absent and unable to complete their work due to an illness must have a parent or guardian contact the attendance office via email prior to 12:00PM/Noon to be excused from the work. Failure for parent or guardian to contact the attendance office will result in an unexcused absence. The work on eLearning will be due no earlier than 7:30AM on the next school day.

In the case of the fourth (4th) and fifth (5th) days that school is closed for any reason, Roncalli will have an in person school day on either Presidents' Day or the Friday of Baccalaureate. In the case of using Baccalaureate, final exams would move back one day.
